

Santana

This exploded view diagram illustrates the assembly of a mechanical component, likely a pump or valve. The parts are numbered as follows:

- 1:** A small rectangular component, possibly a filter or seal, located at the top left.
- 2:** A screw or bolt used for securing the main body.
- 3:** A small pin or clip located near the top right.
- 4:** A long, thin rod or pin passing through the assembly.
- 5:** The main cylindrical body of the assembly, shown in an exploded position relative to the base.
- 6:** A circular flange or cover plate located below the main body.
- 7:** A small pin or clip located near the bottom left.
- 8:** A screw or bolt used for securing the base.
- 9:** A curved pipe or hose with a flange at one end, located at the bottom.
- 10:** A small circular component, possibly a seal or gasket, located near the pipe.
- 11:** A screw or bolt used for securing the pipe assembly.

The diagram shows the relative positions and assembly sequence of these components. A small logo is visible in the bottom left corner.
